APPLICATION COMPATIBILITY STATUS DEFINITIONS

"Compatible" means that the software publisher stated this product works with 32-bit and/or 64-bit Windows® 7. Please note that these applications have not undergone Microsoft Windows Logo Program compatibility tests. Also, visit the publisher's website for more information.

"Compatible – Windows 7 Logo" means this product met Microsoft's testing requirements for compatibility with 32-bit and 64-bit Windows 7. To earn the "Compatible with Windows 7" logo, software and hardware must pass Microsoft designed installation, performance, reliability, and security tests. For software testing requirements see:

<http://www.microsoft.com/downloads/details.aspx?displaylang=en&FamilyID=27028822-b172-4cec-91a3-26b610a4da79>

and for hardware testing requirements, see

<https://winqual.microsoft.com/member/LogoPoint/Requirements/PreparedRequirementReport.aspx>

"Free update required" means the software publisher offers a free upgrade to a newer version which the software publisher states is compatible with 32-bit and/or 64-bit Windows 7. These applications have not undergone Microsoft Windows Logo Program compatibility tests.

"Paid update required" means the software publisher offers a fee-based upgrade to a newer version which the software publisher states is compatible with 32-bit and/or 64-bit Windows 7. These applications have not undergone Microsoft Windows Logo Program compatibility tests.

"Future compatibility" means the software publisher stated they plan to have a compatible version of this product for 32-bit and/or 64-bit Windows 7 at a future date. Microsoft provides this information as a service for your information only. Since compatibility dates can change, please check back for updates and also visit the software publisher's website for more information.

"Not compatible" means the software publisher stated this product is not compatible, or does not work with 32-bit and/or 64-bit Windows 7. Also, visit the publisher's website to check for updates and more information.

"Information coming soon" means we are working with the software publisher to confirm this product works with Windows 7. In the meantime, you can visit the publisher's website to check for updates and more information.
